

Estimating Sums with Rounding

Second row:

$$4,500 + 7,800 = 12,300$$

$$8,300 + 3,600 = 11,900$$

$$3,000 + 6,000 = 9,000$$

$$400 + 7,000 = 7,400$$

Third row:

$$8,000 + 6,000 = 14,000$$

$$4000 + 10,000 = 14,000$$

$$2,000 + 4,000 = 6,000$$

$$4,000 + 2,000 = 6,000$$
