Painted Shell Art Project

Materials:

- Printable shell templates

- Scissors or Exacto cutter

- Paint, paint brush or markers, crayons - your favorite art medium

Instructions:

You can do this project 2 ways:

- Print the templates on thick cardstock paper; cut and paint or color with markers or crayons.

- Print the templates, then cut each of the shells, redraw on cardboard, cut again, and paint.

When they are done, turn them into a garland, or use them as note cards!
